

The Lee County Dental Society, Inc.

PROUDLY PRESENTS

“Medical Marijuana”

By

Sam Walch

Sam Walch seems to have his finger on the pulse of the next big thing. It usually starts with the phrase "that looks interesting . . ." and off he goes into a new adventure.

Those adventures have included being a stand-up comic, webmaster, university administrator, and now a cannabis specialist for Florida Gulf Coast University. Walch holds a BA in Speech Communication from the University of Florida and an MA in Communication from Penn State. For the past 16 years he's been at FGCU where he resides in the Department of Integrated Studies.

In 2018 he founded the cannabis-education program at Florida Gulf Coast University and co-taught Florida's first college course devoted to cannabis. His is the Director of the Cannabis Career Initiative and faculty advisor of the Cannabis Career Club. He currently thinks that agriculture hemp looks interesting . . .

If you're interested in learning more about FGCU's cannabis programs or booking Sam Walch to speak at your next event, contact him at swalch@fgcu.edu.
